

HAVE TRAINING WILL TRAVEL

We are now able to bring our classroom to you. * No need to make advanced arrangements for a suitable training room. Save money and time by having us bring the training to you. Our mobile classroom is capable of handling up to 8 of your employees. We can just drive up and train. Our mobile training center is available for any of our safety training classes or Safety Meeting.

** Minimum class size is 4 students to waive the \$100.00 travel expense*

Call and make an appointment for your next training session.
